

Dear Business School Alumni,

As a former student of the Liverpool Hope University Business School, you are a valued member of our alumni community. We take enormous pride in creating lasting relationships with, and between, all our students that extend beyond graduation and last throughout life.

Membership of the Alumni Association is free and it connects you with a community of more than 50,000 people around the world who have also enjoyed studying with us. All we ask in return is that you keep in touch with your news and let us know what you're doing, either personally or professionally.

We plan a number of events throughout the year to meet up with our alumni. These range from informal social and networking events, to more formal engagements and at each you will have the opportunity to re-visit old times with friends or to cultivate new professional contacts.

As a member of the Alumni Association, you will also enjoy a range of benefits and discounts at the Business School. In addition to continued support with your professional development, you can benefit from bespoke CPD programmes and a 20% saving on the cost of one of our postgraduate courses.

At the Liverpool Hope University Business School, we strive to develop committed and passionate business professionals and we are immensely proud of our reputation for academic excellence and culture of promoting social responsibility. There are many ways your contribution can ensure we maintain these standards for future students and graduates.

You might enjoy the opportunity to be a mentor to current Business School students and share your experiences of starting out and how to build a successful career. Perhaps you can offer or support opportunities for students to undertake placements or consult on commercial projects. Alternatively, you may prefer to share your knowledge and expertise by giving guest lectures and workshops on specific business topics. We are grateful for any support our alumni community can give to the Business School.

Please contact our Business Engagement and Employability Opportunities Manager XXXXXX XXXX at xxxx@hope.ac.uk for further information and to provide your details.
